We have a wide range of equipment to choose from.

Our wide range of equipment includes compact, utility, and large agricultural tractors, tractor attachments and farming equipment including drills, ploughs, mulchers and slashers, skid steers and excavators.

We also have a variety of outdoor power equipment options consisting of both residential and commercial ride-on lawn mowers.

You get reliability from trusted brands.

All our equipment is from trusted brands that you can depend on.

Service excellence.

It is the urgency with which we respond to last minute bookings, breakdowns and technical questions that sets us apart from the rest.

At AG&Earth our mission is to be there when you need us, with what you need. So you can have the flexibility to meet your business needs.

We hire out equipment on a daily or long-term basis.

Safest and best results.

We only hire the best to ensure maximum uptime and performance.

Our fleet is 100% safety compliant, featuring some of the latest tech and accessories.

We know machinery!

We have the largest and most unique range of machinery in New South Wales and the mechanical expertise to find a solution to your all your equipment needs.
